DECISION ON PETITION TO
REVIVE ABANDONED
APPLICATION UNDER 37
CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 03 January 2002 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

Applicant has now submitted the basic national fee and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application is granted as to the national stage in the United States.

The petition to revive was accompanied by an executed declaration in compliance with 37 CFR 1.497. Deposit Account No. 50-0548 has been charged the \$65 small entity surcharge for submitting the declaration later than thirty months after the priority date.

This application is being returned to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The 35 U.S.C. 371 date is 03 January 2002.
